Professor Fields,

University of Toronto.

Dear Professor Fields:

I should have written to you some time ago to say that the Board of Governors authorised me to have an invitation extended to the American Association for the Advancement of Science to meet here in the year 1915, I think it was, or 1916. Will you kindly convey the invitation to the Association? I am setting aside seventy-five dollars (\$75.00) which I hope will go a long way to covering your expenses. I shall be glad to hear from you whether this is satisfactory.

With kind regards, I am,

Yours sincerely,

President.

December 13, 1913

President R. A. Falconer
University of Toronto

Dear President Falconer

In reply to your letter of December 9th I would say that it will give me pleasure to convey to the American Association for the Advancement of Science, on behalf of yourself and the Board of Governors, the invitation to hold their winter meeting following that at Philadelphia in Toronto at the University of Toronto. This will probably be at the New Year 1916-17 as the present intention is, so I understand, to drop one of the winter meetings 1914-15 and 1915-16 because of the expense of the summer meeting at San Francisco in 1915. The amount set aside for the expenses of the trip to Atlanta is satisfactory.

Yours sincerely
J. C. Fields

June 12th, 1914

Professor J. C. Fields,
University of Toronto.

Dear Professor Fields:

I have much pleasure in
announcing to you that the Board at its meeting
yesterday accepted my nomination and appointed
you as Professor of Mathematics at a salary of
\$3200.

Yours sincerely,

President.
